Fuel Magic,  
Saving Fuel Resources and Nature,  
76 Asa Road, Aba.

**LETTER OF RECOMMENDATION**

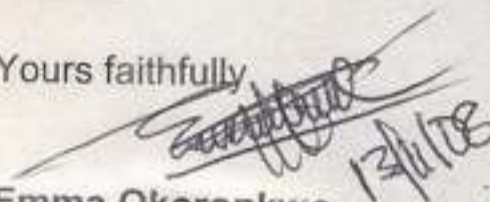

The above company is well known to us and we recommend any body or group of people to do business with them, due to its high reduction in fuel/diesel consumption.

It cleans the entire engine system and enhances our engine performance.

We therefore urge you to give them all the necessary assistance they may need.

Thanks.

Yours faithfully

  
13/11/08  
Emma Okoronkwo  
Manager.
