

BIG JOE

VENTURES LIMITED

WATER PURIFIER ■ TRANSPORTER ■ SALES/SUPPLIERS OF CATERPILLAR SPARE PARTS ■ GENERAL MERCHANT

LETTER OF RECOMMENDATION

Fuel magic is very effective to our vehicles that travel to various parts the Northern States – Abuja, Kaduna, Kano, Zaria and Jos.

It is highly recommended to all motorists and transporters due to its high reduction in fuel consumption.

It has save over 18% of our fuel in every drop. It clears the entire engine system and enhances performance in speed.
