Letter of Recommendation

We the management of the above named organization wishes to recommend your super green product "FUEL MAGIC" to any organization that needs to save maintenance cost, save fuel and reduce air pollution.

We noticed its efficiency in an immediate calmness of our generator upon application, thereafter a reduction in the exhaust system and diesel savings. Hence the need to place an order for more.

Thanks.

Yours faithfully,

Omokhodion Okojie ^{21/02/08}
